Audit & Registry Committee Update

Registry Matters:

Over the last few weeks many teams have been contacted with requests for missing registry data.

Please ensure that any additional data that is available is sent to Fiona Braddon at UK Renal Registry by Tuesday 24 January. This is the deadline by which data must be received to be included in the analysis of the 2010 census.

Fiona's e-mail address is: fiona.braddon@nhs.net

We would also encourage you to ensure that systems for the 31/12/2011 census are in place. The deadline for the 31/12/2011 data will be announced in the February e-news.

Audit Matters:

The audit of renal biopsy is now underway. Please send completed audit forms to Meeta Mallick.

Meeta's e-mail address is: meeta.mallik@nuh.nhs.uk

Many thanks
